INFORMATION PACK

1. Introduction

Music is an integral part of the liturgy in Anglican worship. The role of organ in the liturgy is very important, especially in leading congregational singing of hymns and other liturgical texts, as well as to provide organ music to accompany liturgical actions and organ voluntaries to glorify God with music.

In 2014, under the sponsorship of St Paul's Church and the family of Mrs Lily Pong, the Standing Committee on Liturgical Matters established a scholarship to provide subsidy to existing and potential church organists in HKSKH to be better equipped with basic techniques (including both legato and non-legato touch, registration, sight-transposition and improvisation) and church service playing skills (hymn-playing, service music and basic knowledge on liturgy).

The scholarship will provide a scheme for one-on-one tuition over a period of three years. The organists graduating from the scheme will be ready to serve their own parish with much better skills enhancing the quality of music in worship Sunday to Sunday.

The scholarship is named after the late Mrs Lily Pong (龐德明主教夫人), who was one of the first to serve as organists and choir leaders in St Paul's Church, in memory of her dedication and long service to St Paul's Church and HKSKH.

2. Training Scheme

A training period of no more than 3 years is expected. The training scheme starts in September every year. The content of the scheme will be subjected to change according to the ability of the participant. Assuming the participant enters the scheme with no prior training in organ playing:
